

# ES 4000 SERIES

## PRECISION AND STRENGTH IN SMALL SPACES

**Crown's ES 4000 Series walkie fork over stacker gives operators superior visibility and precise control.** The compact ES 4000 Series features Crown's exclusive Access 1 2 3<sup>®</sup> Comprehensive System Control and AC traction motor for powerful performance, responsive control and smooth operation to optimize safety and productivity.

Strength is apparent on the inside and out. This stacker proves that compact does not mean light-duty.

Start navigating tight areas and positioning loads with precision. >>

### Superb All-around Visibility and Maneuverability >

The compact ES 4000 walkie forklift gives operators greater confidence when working in confined spaces.

- Brake override function
- Narrow, contoured power unit
- Wide, open mast window
- High visibility carriage
- Center-mounted tiller handle
- Fork tip indicators
- Low sight lines

### Superior Handling and Control ▲

Precise, performance-enhancing control boosts operator skill levels, confidence and productivity.

- X10® handle
- Access1 2 3® Comprehensive System Control
- Precise proportional lift and lowering
- Programmable performance settings
- Smooth, consistent braking
- Ramp hold

Access 1 2 3 technology includes secure PIN code access and built-in diagnostics for faster service and more uptime.

### < Robust and Reliable for Low Maintenance and Long Life

Crown's ES 4000 Series is engineered for durability and productivity.

- Crown-built AC traction motor
- Cast iron gear box
- Formed, steel tiller arm
- Die-cast aluminum handle
- Steel power unit cover
- e-GEN® braking system
- Heavy-duty caster
- I-beam mast construction
- 9" diameter drive tire
